Section 8(a) of the Small Business Act (15 U.S.C. 637(a)) established a program that authorizes the Small Business Administration (SBA) to enter into all types of contract with other agencies and let certified "8(a)" disadvantaged small business subcontractors perform the work.

To 8(a) sole source contract award to the Research and Evaluation Group, please provide an agency offer letter to the South Carolina Small Business Administration. The letter should respond to the following items:

1. Description of the work to be performed or items to be delivered, and a copy of the statement of work (SOW), if available
2. The estimated performance period
3. The NAICS code that applies to the principal nature of the acquisition
4. The anticipated dollar value of the requirement, including option, if any
5. Any special restrictions or geographical limitations on the requirement
6. Any special capabilities or disciplines needed for contract performance
7. The type of contract anticipated
8. The acquisition history, if any, of the requirement, including the names and addresses of any small business contractors that have performed this requirement during the previous 24 months
9. Prior to the offering, no solicitation for this specific acquisition has been issued as a small business, HUBZone, service-disabled veteran owned small business set-aside or a set-aside under the Women-Owned Small Business (WOSB) Program, and that no other public (such as a notice through the Governmentwide point of entry) has been made showing the contracting agency's clear intention to set-aside the acquisition for small business, HUBZone, service-disabled veteran owned small business set-aside or a set-aside under the Women-Owned Small Business (WOSB) Program.
10. Identification of any particular 8(a) concern designated for consideration, including a brief justification such as:
 - i. The 8(a) concern, through its own efforts, marketed the requirement and caused it to be reserved for the 8(a) program
 - ii. The acquisition is a follow-on or renewal contract and the nominated concern is the incumbent
11. Bonding requirements if applicable
12. Identification of all known 8(a) concerns, including HUBZone 8(a) concerns, that have expressed an interest in being considered for the specific requirement
13. A request, if applicable, that a requirement with an estimated contract value under the applicable competitive threshold be awarded as an 8(a) competitive contract
14. A request, if appropriate, that a requirement with a contract value over the applicable competitive threshold be awarded as a sole-source contract
15. Any other pertinent and reasonable available data.
16. Small business representative or contraction information/signature
